Prepared for Kay — Happy Guest setup & verification

August 2026

1. How the Plug-and-Play System Works

Every WEKYN guest agreement is built from **one master template**. The legal core — payment terms, cancellation, damage waiver, release & indemnity, house rules, dispute resolution — is **identical in every home**. That consistency is what makes the portfolio defensible. Only the items below change per property, and they are marked in the master template as **{{TOKENS}}** (fill-in values) and <optional sections> (include or delete).

What changes per property

Plug-in item	What to set
Property name, address, county	Venue and governing law follow the property's actual county/state (not WEKYN's home base)
Max occupancy	Must match the live listing exactly
Pet policy (Section 7)	One of two standard blocks only: Not pet-friendly or Dogs-only pet-friendly — never invent new pet language
Camera locations (Section 14)	Exact exterior locations, word-for-word. #1 liability item. Add noise-monitor sentence only where monitors exist
Amenities (Section 17)	The property's actual amenities; water/kayak/SUP/bike language as applicable
Optional sections	Hot tub · Sauna · Fire pit · Dock/Water · Pontoon (pontoon always uses the separate waiver, never this template alone)
Fee schedule	Pet-friendly homes add two rows: pet fee \$75/dog/stay and excessive pet waste \$150 min + \$150/hr

What never changes

- Signer must be **25+** and stay on-site the whole reservation; hot tub / sauna age limit **16+**.
- Check-in **4:00 PM**, check-out **10:00 AM**; quiet hours **10 PM–8 AM weekdays, 11 PM–8 AM weekends** (exception: Golden Wings runs **11 PM–6 AM** per its listing).
- Payment: Airbnb collects in full at booking; VRBO/Direct = 50% at booking, balance auto-charged 30 days before arrival.
- Cancellation policy = whatever the channel displayed at the time of booking.
- Guest chooses in the portal at booking: refundable security deposit **OR** \$65 non-refundable Accidental Damage Waiver (covers up to \$2,500; \$1,500 sub-limit for approved-pet damage in dog-friendly homes).
- Identity verification + background check runs through Happy Guest before the stay.
- Fee schedule core rows: late check-out \$100/hr · smoking \$500 + \$350 cleaning · extraordinary cleaning \$150/hr · unauthorized pet \$750 · broken amenity \$250 minimum · lost key up to \$150.
- Governing law and venue follow the property's own state and county; bench trial (jury + class-action waiver); prevailing-party attorneys' fees. Four homes are Minnesota-governed; **Golden Wings is Tennessee-governed (Shelby County)**.

Happy Guest note: Happy Guest does not use merge short-codes, so every value in these agreements is hard-coded. When a term changes (occupancy, cameras, pet fee), the agreement text itself must be re-uploaded.

2. Property Quick-Reference Matrix

Every value below is already baked into the five agreements in this package. Use this page as the cheat sheet when loading or checking each property in Happy Guest.

3. Happy Guest Verification Checklist (for Kay)

For each of the five properties, open the agreement in Happy Guest side-by-side with the matching agreement in this package (Sections 5–9) and confirm every line below. Anything that doesn't match word-for-word should be flagged to Evan before guests sign.

	Item	What to verify
[]	Header block	Property name, full street address, county, and lake name match the package version exactly.
[]	Occupancy	Max occupancy matches the matrix (Butterfield 13 ; Golden Wings 6 ; the other three 10) — and matches the live Airbnb/VRBO listing.
[]	Times	Check-in 4:00 PM / check-out 10:00 AM everywhere. Quiet hours 10 PM–8 AM weekday, 11 PM–8 AM weekend — EXCEPT Golden Wings, which says 11 PM–6 AM every night.
[]	Payment terms (\$3)	Airbnb = paid in full at booking; VRBO/Direct = 50% at booking + balance auto-charged 30 days out.
[]	Damage waiver (\$5)	\$65 waiver / \$2,500 coverage everywhere. Butterfield + Loon Cabin ALSO show the \$1,500 pet-damage sub-limit sentence; Border Point, Rustic Ridge, and Golden Wings do NOT.
[]	Pet section (\$7)	Butterfield + Loon Cabin = full dogs-only policy (\$75/dog/stay, 2 dogs max under 75 lbs, service animals exempt). Border Point, Rustic Ridge, and Golden Wings = not-pet-friendly block.
[]	Camera disclosure (\$14)	Camera count and exact locations match the matrix word-for-word, plus the 'no interior cameras' sentence. Noise-monitor sentence appears ONLY for Butterfield and Loon Cabin. Golden Wings must include the sentence that the rear Ring camera does NOT view the hot tub. This is the #1 liability item.
[]	Amenity sections	Hot Tub safety section appears in Border Point AND Golden Wings (16+); the Sauna section is Border Point only. Rustic Ridge is the only home with the Pontoon section requiring the separate signed pontoon waiver. Loon Cabin includes bikes + wood-stove rules and says firewood is NOT provided. Golden Wings uses gas-fire-pit language (no wood fires) and has NO lake/water/beach language anywhere.
[]	Fee schedule	Core six rows in all five homes. Butterfield + Loon Cabin add the two pet rows (\$75/dog/stay; \$150 min pet-waste cleanup). \$750 unauthorized-pet row appears in ALL five.
[]	Venue / governing law	Loon Cabin says Aitkin County, MN ; Butterfield, Border Point, and Rustic Ridge say Crow Wing County, MN; Golden Wings says Shelby County, TENNESSEE and State of Tennessee — do not 'fix' it to Minnesota.
[]	Signature block	Guest signature + printed name, Manager line for W.E.K.Y.N. Stays, LLC, and footer contact (info@wekynstays.com / (952) 847-3620).
[]	Booking-specific fields	Guest legal name, dates, channel, and confirmation # are the ONLY blanks left — everything else is hard-coded (Happy Guest has no merge codes).
[]	ID & background check	Happy Guest's ID verification + background check flow is switched on for each property (\$13 relies on it).
[]	Deposit vs. waiver choice	The booking portal actually offers the guest the choice: refundable deposit OR the \$65 waiver (\$5 promises this).

Reminder: these agreements are strong, but the release / jury-waiver language should be blessed by a Minnesota STR attorney (and a Tennessee attorney for Golden Wings) before we rely on it in court. That review is still an open item.

4. Master Template (plug-and-play source)

This is the source every new property starts from. Orange {{TOKENS}} get replaced with the property's values; <angle-marked> sections are kept or deleted based on the home's amenities.

WEKYN STAYS — MASTER SHORT-TERM RENTAL AGREEMENT (TEMPLATE)

HOW TO USE THIS TEMPLATE 1. Fill in the **PROPERTY CONFIG** block below for the specific home. 2. Find-and-replace every **{{TOKEN}}** in the body with the matching config value. 3. Include or delete the sections marked <INCLUDE ONLY IF ...> based on what that property actually has. 4. Everything NOT in a token or a <...> note is shared WEKYN legal language — **do not change it per property**. Keeping it identical across homes is what makes the portfolio defensible. 5. The booking-specific fields at the very top ([GUEST NAME], dates, etc.) are filled per reservation, not per property.

PROPERTY CONFIG — fill this in per home

Token	Value for this property
{{PROPERTY_NAME}}	e.g. Avari's Crossing
{{PROPERTY_ADDRESS}}	full street address
{{CITY}}	e.g. Crosslake
{{COUNTY}}	e.g. Crow Wing (verify — Brainerd Lakes homes may be Cass County)
{{MAX_OCCUPANCY}}	total persons allowed, must match the live listing exactly
{{AGE_TO_BOOK}}	default 25
{{AMENITY_AGE}}	hot tub / sauna minimum age, default 16
{{CHECK_IN}}	default 4:00 PM
{{CHECK_OUT}}	default 10:00 AM
{{QUIET_WEEKDAY}}	default 10:00 PM – 8:00 AM
{{QUIET_WEEKEND}}	default 11:00 PM – 8:00 AM
{{AMENITIES_LIST}}	the property's actual amenities (pull from its live Airbnb listing)
{{CAMERA_LOCATIONS}}	exact exterior camera locations; state "none" if none
{{WATER_AMENITIES}}	dock / beach / swim area / paddleboards / kayaks — exactly what's provided
{{PET_POLICY}}	this home's pet stance — use one of the two standard values below

Standard {{PET_POLICY}} values (pick one — do not invent new pet language per property):

- **NOT pet-friendly (default):** This home is **not pet-friendly**. Pets are considered only on a case-by-case basis and are permitted **only with Manager's prior written approval**.
- **Pet-friendly (dogs only) — the standard WEKYN dogs-only policy (2026-07):** copy Section 7 from the Butterfield Retreat or Loon Cabin agreement verbatim, changing only the property name. Its fixed terms: **dogs only (no cats), max two (2) dogs each under 75 lbs, \$75.00 per dog per stay** (matches the OwnerRez pet-fee surcharge, collected at booking), disclosure at booking or written approval before arrival, service animals always free/exempt, ESAs treated as pets on direct bookings. When using it, also make these three

companion edits: (1) in §5(b), use the waiver paragraph with the **\$1,500 pet-damage sub-limit** (see Butterfield/Loon); (2) replace the "No unauthorized pets" house rule with the "Dogs welcome with disclosure" version; (3) add the **Pet fee (\$75.00 per dog, per stay)** and **Excessive pet waste cleanup (\$150.00 minimum + \$150.00/hour)** rows to the Fee Schedule. The **\$750 unauthorized pet** row stays in every agreement either way.

Optional sections — keep only the ones that apply:

- <HOT TUB> — include Section 18 + hot tub house rules + age limit
- <SAUNA> — include Section 19 + sauna house rules + age limit
- <FIRE PIT> — include fire-pit language in Section 17
- <DOCK / WATER> — include dock / swim / paddleboard language in Section 17
- <PONTOON / WATERCRAFT> — **if the home includes a boat, do NOT use this template's water section alone — attach the separate WEKYN Pontoon/Watercraft Waiver**

*Welcome to **{{PROPERTY_NAME}}**, and thank you for choosing WEKYN Stays. We treat this home like our own, and we ask you to do the same. Please read this agreement carefully — it protects you, our home, and the experience of every guest who follows you. If you have any questions, no question is too small; just reach out.*

1. Scope of This Agreement

This Agreement applies to the Guest's stay at the Rental Property for the reservation dates above, and to any other dates that may be added if the reservation is changed.

This Agreement applies to every member of the Guest's party, regardless of age or affiliation (the "Group"). Guest is responsible for sharing this Agreement and all of its requirements with every member of the Group and anyone else the Guest permits onto the Rental Property. Guest is fully responsible for the conduct of the entire Group and any invitees, visitors, or guests.

In consideration of the rent received and the mutual promises in this Agreement, Manager leases and rents the Rental Property to Guest under the following terms and conditions. The person signing must be at least

{{AGE_TO_BOOK}} years of age, must be an occupant of the Rental Property for the entire reservation, and assumes responsibility for the entire Group.

2. Occupancy, Conduct & Guest Responsibilities

Guest agrees to abide by all rules and regulations contained in this Agreement or posted at the Rental Property. Guest's obligations include, but are not limited to, keeping the premises as clean and safe as conditions permit and causing no unsafe or unsanitary conditions. Guest agrees not to use the premises for any commercial activity (other than ordinary remote working) or for any purpose that violates any criminal law or governmental regulation. Breach of any duty in this paragraph is material and may result in termination of occupancy with no refund of any kind.

The Rental Property may not be occupied by more than **{{MAX_OCCUPANCY}}** persons total (including adults, children, and infants) at any time without Manager's prior written approval. No fraternities, school, civic, or other non-family groups are permitted unless Manager grants prior written approval. Guest may not assign or sublet the Rental Property in whole or in part. Violations of this Section are grounds for expedited eviction with no refund of any kind.

Guest grants Manager permission to enter the premises at any time for inspection if Manager reasonably believes Guest is causing or has caused damage to the Rental Property, and for purposes of maintenance and repair.

3. Payment Terms

Payment terms depend on the booking channel:

- **Airbnb bookings:** Payment is collected by Airbnb in full at the time of booking, in accordance with Airbnb's payment terms.
- **VRBO and Direct bookings:** 50% of the total rental charges is due at the time of booking. The remaining balance is due 30 days prior to the arrival date and will be charged automatically to the payment method on file. If the automatic payment fails for any reason, it is the Guest's responsibility to ensure the balance is paid in full promptly, or the reservation may be cancelled by Manager with no refund of payments made.

All policies in this Agreement apply equally to payments made by credit card, debit card, or other approved method, whether made via website, OTA platform, by phone, or in person. Any refunds due from a card payment will be refunded to that card; all other refunds will be made within 30 days.

4. Cancellation Policy

Cancellation terms vary by season and by booking channel. **The cancellation policy that applies to this reservation is the policy displayed at the time of booking on the applicable channel (Airbnb, VRBO, or direct-booking confirmation).** That displayed policy governs all refunds. Travel Insurance, Accidental Damage Waiver, and any processing or administrative fees are non-refundable. **Travel insurance is highly recommended** to protect against cancellations falling outside the refund window.

5. Security Deposit OR Accidental Damage Waiver

At the time of booking, Guest will **choose one** of the following two options through the secure portal link sent to Guest at booking:

(a) Refundable Security Deposit — A hold or charge is placed on the Guest's payment method in the amount stated in the booking. If, at the end of the rental period, the Rental Property is returned undamaged beyond normal wear and tear, the deposit is released in full within the timeframe stated in the booking confirmation. In the event of damage, Manager will provide a full accounting of deductions; **or**

(b) Accidental Damage Waiver — A **non-refundable fee of \$65.00** that covers up to **\$2,500.00** in accidental damage to the Rental Property and its contents, with no questions asked. The Waiver covers unintentional, accidental damage only. It does **not** cover: intentional damage; damage caused by gross negligence; damage exceeding \$2,500.00; theft or removal of items; smoking; unauthorized pets; or violations of this Agreement, all of which remain the Guest's full financial responsibility.

In either case, Guest remains responsible for any damage exceeding the deposit or Waiver coverage. Deductions or charges may include, without limitation: excess cleaning, hot tub draining and refilling, trash removal, missing-item replacement, repair or replacement of damaged items, repair of buildings or grounds, or other service-call fees. Manager is under no obligation to use the least expensive means of restoration. Should damages exceed the amount of the Security Deposit or Waiver coverage, Guest agrees to pay the balance within 10 business days of notification.

6. Damage & Credit-Card Authorization

Guest is responsible for all damage to the Rental Property and its contents during the stay, whether caused by Guest or the Group. Guest authorizes Manager to charge the payment method on file, without needing a signed card slip, for: damages; extraordinary cleaning; unauthorized early check-in or late check-out; lost keys or unreturned access devices; or any amount set out in the Fee Schedule below. Damages and extraordinary cleaning are determined in Manager's reasonable discretion with supporting documentation. Guest's card authorization is irrevocable and remains in effect until 90 days after the end of occupancy. Guest waives chargeback rights for charges permitted under this Agreement.

7. Pets

{{PET_POLICY}} Any unapproved pet found in or about the Rental Property is grounds for expedited eviction and forfeiture of all monies paid, plus the unauthorized-pet fee in the Fee Schedule.

8. Children

Guest must inform Manager of the intention to bring children and the number of children. A "child" is any person under the age of 18. Children must be supervised at all times, particularly around any hot tub, sauna, dock, water, and fire pit.

9. Property Condition; No Refunds for Outages

No refunds will be provided due to inoperable appliances, hot tub, sauna, Wi-Fi, or similar. Manager will make every reasonable effort to keep these in good working order. No refunds will be given due to power outages, water issues, flooding, snow, weather, construction at adjacent properties, or evacuations ordered by officials due to acts of God or nature.

10. Lost & Found

Guest is responsible for all shipping costs for any lost-and-found items Manager is asked to return. Items not claimed within 30 days will be disposed of at Manager's discretion.

11. Linens & Towels

Linens and towels are provided. **Bath towels may not be used for the hot tub, sauna, beach, or dock** — please use only the towels designated for water/outdoor use, and return them to the home. Guest is responsible for lost or damaged linens and towels at two (2) times the standard replacement price.

12. Manager's Inability to Provide the Property; Relocation

If Manager is unable to make the Rental Property available for any reason other than those described in Section 9, and cannot provide a reasonable substitute, Manager's sole liability is a full refund of all monies paid under this

Agreement. In no event is Manager liable for any special, incidental, or consequential damages arising from such unavailability. Manager reserves the right to relocate Guest to comparable accommodations if circumstances beyond Manager's control arise, and Guest agrees to cooperate.

13. Identity Verification & Background Check

Guest understands and agrees that, before use of the Rental Property, Manager (directly or through its booking and verification provider) may perform identity verification and a national criminal and sex-offender background check using a consumer-reporting agency. If Manager learns of adverse information, Manager may cancel the reservation and refund the Guest's reservation deposit. Using a name other than the Guest's true legal name is grounds for immediate cancellation.

14. Cameras & Property Monitoring — Disclosure

For the safety of guests and the protection of the home, the Rental Property has **exterior security cameras only**, located at: **{{CAMERA_LOCATIONS}}**.

There are no cameras inside the home, and none in any bathroom, bedroom, or other interior or private space. Tampering with, disabling, obstructing, unplugging, or reorienting any camera or monitoring device is strictly prohibited and is grounds for immediate termination of the rental without refund.

15. Release, Indemnity & Assumption of Risk

Guest acknowledges that the Rental Property is located in a natural, lake-country setting with inherent risks, and that Manager cannot control all conditions present at the property or the activities of all persons in or around it.

Inspection. Immediately after check-in, Guest must inspect the Rental Property to confirm it suits Guest's needs and to identify any malfunctioning, missing, or damaged item, or any safety or health hazard, and must immediately notify Manager by phone and message. Failure to provide immediate notice waives any claim arising from the deficiency, and Guest is deemed to have assumed the risk.

Personal property. Guest is solely responsible for all vehicles, belongings, and personal property brought to the Rental Property. Manager is not responsible for, and does not insure, any loss of or damage to personal property, including loss by fire, water, theft, or any other cause.

Use of amenities is at Guest's sole risk. Guest's use of any hot tub, sauna, dock, swimming area, paddleboards, fire pit, decks, stairs, custom or bunk beds, and any other amenity is **at the Guest's own risk**. Guest fully understands that outdoor, water, and recreational activities carry inherent risks, dangers, and hazards, including bodily injury, illness, strains, fractures, paralysis, drowning, and death.

Release and indemnity. To the maximum extent permitted by law, Guest hereby voluntarily agrees to release, waive, discharge, hold harmless, defend, and indemnify Manager, the property owner, and their respective officers, directors, members, managers, employees, agents, contractors, and affiliated persons and entities (collectively, the "Released Parties") from and against any and all claims, demands, actions, losses, costs, and reasonable attorneys' fees ("Damages") for bodily injury, illness, death, property damage, or loss of any kind that may arise out of or relate to Guest's or the Group's occupancy or use of the Rental Property, its amenities, equipment, or activities — whether occurring on, in, or near the premises, and whether caused in whole or in part by the negligence of any Released Party — except only for Damages caused by the gross negligence or intentional misconduct of a Released Party. This release and indemnity also runs in favor of the Released Parties as to claims by third parties, including neighbors and adjacent occupants, and as to claims by the Guest's own Group, licensees, and invitees.

Waiver of subrogation. To the extent Guest has insurance covering personal injury or personal property, Guest waives, and causes its insurer to waive, all rights of subrogation against the Released Parties for any insured loss, irrespective of fault.

Guest further assumes full responsibility for the actions of every person Guest allows onto the property during the rental period and indemnifies the Released Parties from all claims arising from those persons.

16. House Rules & Prohibited Uses

Guest and the entire Group must follow these House Rules. If any rule conflicts with another term, the more restrictive rule controls. Violation is grounds for immediate termination of the right to occupy, without refund.

We ask that you treat our home with the same respect you would your own.

1. **No smoking, vaping, or hookah** of any product or substance, indoors. This is a non-smoking home. If you smoke, do so well away from the home and properly dispose of all debris. Odor, stains, or debris detected inside, or cigarette debris in the yard, will result in the smoking fees in the Fee Schedule.
2. **No unauthorized pets.** Bringing an unapproved pet may result in termination of the rental without refund, plus the unauthorized-pet fee.
3. **Quiet hours** are **{{QUIET_WEEKDAY}}** on weekdays and **{{QUIET_WEEKEND}}** on weekends, as a courtesy to our neighbors. <DOCK / WATER: No swimming or dock use during quiet hours.> <HOT TUB: No hot tub use during quiet hours.>
4. **No tampering** with internet equipment, cameras, or any monitoring devices. This is grounds for immediate termination without refund.
5. **No parties or events.** Only guests on the original booking may stay overnight. At no time may there be more than **{{MAX_OCCUPANCY}}** people total (adults, children, and infants) at the property without prior written approval. Exceeding this is deemed a party and is immediate grounds for cancellation, removal of all persons, and forfeiture of all monies paid.
6. <DOCK / WATER or HOT TUB: **There is no lifeguard.** No diving in the lake. No diving in the hot tub. Use the dock, swimming area, and water at your own risk and supervise children at all times.>
7. **Use designated towels** for the hot tub, sauna, dock, and swimming — not the bath towels. Use dark towels for removing makeup.
8. **Report malfunctions immediately** — any breakage or malfunction of appliances, plumbing, TV, hot tub, sauna, or other items — so we can care for the home properly.
9. **Do not rearrange furniture.** Plastic glassware is provided for outdoor use; no glass at the hot tub, sauna, dock, or water area.
10. **Do not iron on the beds.** An ironing board is provided.
11. **No illegal drugs.** If illegal drug use is suspected, authorities will be contacted and the Group will be required to vacate immediately with no refund.
12. **Keep out** of any area or container labeled "do not open" or secured by a lock, for your safety.
13. **Consumables** occasionally left by prior guests (condiments, snacks) are used at your own discretion; Manager assumes no responsibility for them.
14. **Noise complaints.** If Manager receives a noise complaint, Manager will contact Guest. Upon a second complaint, the stay will be terminated immediately without refund and the Group must vacate.
15. **Law enforcement.** If law enforcement is called to the property for any reason involving the Guest or Group, Guest must pay all resulting costs, including repair of any damage to the property or adjacent properties, and may be subject to eviction and prosecution.
16. **Alterations.** Do not alter the home or any amenity, including reprogramming or disabling electronic devices, attaching nails/screws/adhesives, or removing HDMI or other cables from TVs or consoles.

17. **Keys & access devices** must be returned or left as instructed at check-out. Any unreturned key or device is charged up to **\$150.00** each.

17. Outdoor, Water & Fire Amenities

The Rental Property includes the following amenities, which Guest and the Group use entirely at their own risk, subject to the release in Section 15:

{{AMENITIES_LIST}}

«DOCK / WATER» **Water access:** **{{WATER_AMENITIES}}**. Water activities (swimming, dock use, paddleboards) carry inherent risks. Life jackets and constant supervision of children are the Guest's responsibility. No diving. Any water items must be returned to the home after use.

Fires must be fully extinguished before being left unattended or before going to bed.

18. Hot Tub Safety Guidelines «INCLUDE ONLY IF PROPERTY HAS A HOT TUB»

Welcome to Butterfield Retreat, and thank you for choosing WEKYN Stays. We treat this home like our own, and we ask you to do the same. Please read this agreement carefully — it protects you, our home, and the experience of every guest who follows you. If you have any questions, no question is too small; just reach out.

1. Scope of This Agreement

This Agreement applies to the Guest's stay at the Rental Property for the reservation dates above, and to any other dates that may be added if the reservation is changed.

This Agreement applies to every member of the Guest's party, regardless of age or affiliation (the "Group"). Guest is responsible for sharing this Agreement and all of its requirements with every member of the Group and anyone else the Guest permits onto the Rental Property. Guest is fully responsible for the conduct of the entire Group and any invitees, visitors, or guests.

In consideration of the rent received and the mutual promises in this Agreement, Manager leases and rents the Rental Property to Guest under the following terms and conditions. The person signing must be at least **25 years of age**, must be an occupant of the Rental Property for the entire reservation, and assumes responsibility for the entire Group.

2. Occupancy, Conduct & Guest Responsibilities

Guest agrees to abide by all rules and regulations contained in this Agreement or posted at the Rental Property. Guest's obligations include, but are not limited to, keeping the premises as clean and safe as conditions permit and causing no unsafe or unsanitary conditions. Guest agrees not to use the premises for any commercial activity (other than ordinary remote working) or for any purpose that violates any criminal law or governmental regulation. Breach of any duty in this paragraph is material and may result in termination of occupancy with no refund of any kind.

The Rental Property may not be occupied by more than **13 persons total** (including adults, children, and infants) at any time without Manager's prior written approval. No fraternities, school, civic, or other non-family groups are permitted unless Manager grants prior written approval. Guest may not assign or sublet the Rental Property in

whole or in part. Violations of this Section are grounds for expedited eviction with no refund of any kind.

Guest grants Manager permission to enter the premises at any time for inspection if Manager reasonably believes Guest is causing or has caused damage to the Rental Property, and for purposes of maintenance and repair.

3. Payment Terms

Payment terms depend on the booking channel:

- **Airbnb bookings:** Payment is collected by Airbnb in full at the time of booking, in accordance with Airbnb's payment terms.
- **VRBO and Direct bookings: 50% of the total rental charges is due at the time of booking.** The **remaining balance is due 30 days prior to the arrival date** and will be charged automatically to the payment method on file. If the automatic payment fails for any reason, it is the Guest's responsibility to ensure the balance is paid in full promptly, or the reservation may be cancelled by Manager with no refund of payments made.

All policies in this Agreement apply equally to payments made by credit card, debit card, or other approved method, whether made via website, OTA platform, by phone, or in person. Any refunds due from a card payment will be refunded to that card; all other refunds will be made within 30 days.

4. Cancellation Policy

Cancellation terms vary by season and by booking channel. **The cancellation policy that applies to this reservation is the policy displayed at the time of booking on the applicable channel (Airbnb, VRBO, or direct-booking confirmation).** That displayed policy governs all refunds. Travel Insurance, Accidental Damage Waiver, and any processing or administrative fees are non-refundable. **Travel insurance is highly recommended** to protect against cancellations falling outside the refund window.

5. Security Deposit OR Accidental Damage Waiver

At the time of booking, Guest will **choose one** of the following two options through the secure portal link sent to Guest at booking:

(a) Refundable Security Deposit — A hold or charge is placed on the Guest's payment method in the amount stated in the booking. If, at the end of the rental period, the Rental Property is returned undamaged beyond normal wear and tear, the deposit is released in full within the timeframe stated in the booking confirmation. In the event of damage, Manager will provide a full accounting of deductions; **or**

(b) Accidental Damage Waiver — A **non-refundable fee of \$65.00** that covers up to **\$2,500.00** in accidental damage to the Rental Property and its contents, with no questions asked. For Guests who bring an approved dog under the Pet Policy in Section 7, accidental **pet-caused** damage is covered under this Waiver up to a **\$1,500.00 sub-limit**. The Waiver covers unintentional, accidental damage only. It does **not** cover: intentional damage; damage caused by gross negligence; damage exceeding the applicable limit (\$2,500.00 generally, or \$1,500.00 for pet-caused damage); theft or removal of items; smoking; damage from an undisclosed or unauthorized pet; or violations of this Agreement, all of which remain the Guest's full financial responsibility.

In either case, Guest remains responsible for any damage exceeding the deposit or Waiver coverage. Deductions or charges may include, without limitation: excess cleaning, trash removal, missing-item replacement, repair or replacement of damaged items, repair of buildings or grounds, or other service-call fees. Manager is under no obligation to use the least expensive means of restoration. Should damages exceed the amount of the Security Deposit or Waiver coverage, Guest agrees to pay the balance within 10 business days of notification.

6. Damage & Credit-Card Authorization

Guest is responsible for all damage to the Rental Property and its contents during the stay, whether caused by Guest or the Group. Guest authorizes Manager to charge the payment method on file, without needing a signed card slip, for: damages; extraordinary cleaning; unauthorized early check-in or late check-out; lost keys or unreturned access devices; or any amount set out in the Fee Schedule below. Damages and extraordinary cleaning are determined in Manager's reasonable discretion with supporting documentation. Guest's card authorization is irrevocable and remains in effect until 90 days after the end of occupancy. Guest waives chargeback rights for charges permitted under this Agreement.

7. Pets — Pet-Friendly Policy (Dogs Only)

Butterfield Retreat is **pet-friendly for dogs**, subject to the terms below. These pet terms apply to pets only. **Trained service animals are not "pets," are always welcome, and are not subject to the pet fee, the dog/size limits, or pre-approval.** Emotional support animals are treated as pets.

Guest must disclose each dog **at the time of booking** (or obtain Manager's written approval before arrival), including each dog's breed, age, and approximate weight. A **non-refundable pet fee of \$75.00 per dog, per stay** applies (maximum of two dogs, covering the additional cleaning a pet requires) and is added to the booking total. The following rules apply to every approved dog:

1. **Maximum of two (2) dogs, each under 75 lbs.** No other animals are permitted without Manager's prior written approval.
2. Dogs must be **up to date on vaccinations and on flea/tick prevention.**
3. **Never leave a dog unattended in the home unless it is safely crated.** Please bring your own crate if needed.
4. Dogs must be **leashed when outdoors**, never left unattended outside, and Guest must **immediately pick up and dispose of all pet waste**, inside and on the grounds. **An additional cleaning fee will be applied if excessive pet waste is found in the home or in the yard** (see Fee Schedule).
5. **No dogs on beds or furniture.** Please bring your dog's own bed or blanket. Pet hair found in beds or on furniture will incur additional cleaning.
6. **Keep dogs out of the water amenities.** Supervise dogs around the dock, lake, kayak, and fire pit at all times.
7. Dogs must **not disturb neighbors**; excessive barking or noise is treated the same as a noise complaint under these House Rules.
8. **Guest is fully responsible for all damage, injury, or extraordinary cleaning caused by a dog**, and authorizes Manager to charge the payment method on file for any such amounts (subject to the accidental-damage-waiver coverage in Section 5, if elected).

Undisclosed, unapproved, or unauthorized pets, pets exceeding the limits above, or any violation of these rules are grounds for the **unauthorized-pet fee** in the Fee Schedule and may result in termination of the rental without refund.

8. Children

Guest must inform Manager of the intention to bring children and the number of children. A "child" is any person under the age of 18. Children must be supervised at all times, particularly around the beach, dock, lake, kayak, water, and fire pit.

9. Property Condition; No Refunds for Outages

No refunds will be provided due to inoperable appliances, Wi-Fi, or similar. Manager will make every reasonable effort to keep these in good working order. No refunds will be given due to power outages, water issues, flooding, snow, weather, construction at adjacent properties, or evacuations ordered by officials due to acts of God or

nature.

10. Lost & Found

Guest is responsible for all shipping costs for any lost-and-found items Manager is asked to return. Items not claimed within 30 days will be disposed of at Manager's discretion.

11. Linens & Towels

Linens and towels are provided. **Bath towels may not be used for the beach, dock, or lake** — please use only the towels designated for water/outdoor use, and return them to the home. Guest is responsible for lost or damaged linens and towels at two (2) times the standard replacement price.

12. Manager's Inability to Provide the Property; Relocation

If Manager is unable to make the Rental Property available for any reason other than those described in Section 9, and cannot provide a reasonable substitute, Manager's sole liability is a full refund of all monies paid under this Agreement. In no event is Manager liable for any special, incidental, or consequential damages arising from such unavailability. Manager reserves the right to relocate Guest to comparable accommodations if circumstances beyond Manager's control arise, and Guest agrees to cooperate.

13. Identity Verification & Background Check

Guest understands and agrees that, before use of the Rental Property, Manager (directly or through its booking and verification provider) may perform identity verification and a national criminal and sex-offender background check using a consumer-reporting agency. If Manager learns of adverse information, Manager may cancel the reservation and refund the Guest's reservation deposit. Using a name other than the Guest's true legal name is grounds for immediate cancellation.

14. Cameras & Property Monitoring — Disclosure

For the safety of guests and the protection of the home, the Rental Property has **two (2) exterior security cameras** and **exterior noise-decibel monitors only**. The cameras are located at: (1) **up the stairs at the front door, in the right-hand corner**; and (2) **at the walk-out basement door**. These cameras are in place for guest safety and the protection of the property. The noise-decibel monitors measure sound level only (to help enforce quiet hours and the no-party policy) and **do not record audio or conversations**.

There are no cameras inside the home, and none in any bathroom, bedroom, or other interior or private space. Tampering with, disabling, obstructing, unplugging, or reorienting any camera or monitoring device is strictly prohibited and is grounds for immediate termination of the rental without refund.

15. Release, Indemnity & Assumption of Risk

Guest acknowledges that the Rental Property is a private lakefront cabin in a natural, lake-country setting with inherent risks, and that Manager cannot control all conditions present at the property or the activities of all persons in or around it.

Inspection. Immediately after check-in, Guest must inspect the Rental Property to confirm it suits Guest's needs and to identify any malfunctioning, missing, or damaged item, or any safety or health hazard, and must immediately notify Manager by phone and message. Failure to provide immediate notice waives any claim arising from the deficiency, and Guest is deemed to have assumed the risk.

Personal property. Guest is solely responsible for all vehicles, belongings, and personal property brought to the Rental Property. Manager is not responsible for, and does not insure, any loss of or damage to personal property, including loss by fire, water, theft, or any other cause.

Use of amenities is at Guest's sole risk. Guest's use of the beach, dock, lake, kayak, swimming area, fire pit, indoor fireplace, sunroom, decks, stairs, custom or bunk beds, and any other amenity is **at the Guest's own risk**. Guest fully understands that outdoor, water, and recreational activities carry inherent risks, dangers, and hazards, including bodily injury, illness, strains, fractures, paralysis, drowning, and death.

Release and indemnity. To the maximum extent permitted by law, Guest hereby voluntarily agrees to release, waive, discharge, hold harmless, defend, and indemnify Manager, the property owner, and their respective officers, directors, members, managers, employees, agents, contractors, and affiliated persons and entities (collectively, the "Released Parties") from and against any and all claims, demands, actions, losses, costs, and reasonable attorneys' fees ("Damages") for bodily injury, illness, death, property damage, or loss of any kind that may arise out of or relate to Guest's or the Group's occupancy or use of the Rental Property, its amenities, equipment, or activities — whether occurring on, in, or near the premises, and whether caused in whole or in part by the negligence of any Released Party — except only for Damages caused by the gross negligence or intentional misconduct of a Released Party. This release and indemnity also runs in favor of the Released Parties as to claims by third parties, including neighbors and adjacent occupants, and as to claims by the Guest's own Group, licensees, and invitees.

Waiver of subrogation. To the extent Guest has insurance covering personal injury or personal property, Guest waives, and causes its insurer to waive, all rights of subrogation against the Released Parties for any insured loss, irrespective of fault.

Guest further assumes full responsibility for the actions of every person Guest allows onto the property during the rental period and indemnifies the Released Parties from all claims arising from those persons.

16. House Rules & Prohibited Uses

Guest and the entire Group must follow these House Rules. If any rule conflicts with another term, the more restrictive rule controls. Violation is grounds for immediate termination of the right to occupy, without refund.

We ask that you treat our home with the same respect you would your own.

1. **No smoking, vaping, or hookah** of any product or substance, indoors. This is a non-smoking home. If you smoke, do so well away from the home and properly dispose of all debris. Odor, stains, or debris detected inside, or cigarette debris in the yard, will result in the smoking fees in the Fee Schedule.
2. **Dogs welcome with approval; no undisclosed or unauthorized pets.** Up to two (2) dogs under 75 lbs are allowed per the Pet Policy in Section 7. Bringing an unapproved or undisclosed pet, or any non-dog animal without approval, may result in termination of the rental without refund, plus the unauthorized-pet fee.
3. **Quiet hours** are 10:00 PM – 8:00 AM on weekdays and 11:00 PM – 8:00 AM on weekends, as a courtesy to our neighbors. No swimming, beach, or dock use during quiet hours.
4. **No tampering** with internet equipment, cameras, noise-decibel monitors, or any monitoring devices. This is grounds for immediate termination without refund.
5. **No parties or events.** Only guests on the original booking may stay overnight. At no time may there be more than **13 people total** (adults, children, and infants) at the property without prior written approval. Exceeding this is deemed a party and is immediate grounds for cancellation, removal of all persons, and forfeiture of all monies paid.
6. **There is no lifeguard.** No diving in the lake. Use the beach, dock, lake, kayak, and water at your own risk and supervise children at all times. Life jackets must be worn on the kayak.
7. **Use designated towels** for the beach, dock, and swimming — not the bath towels. Use dark towels for removing makeup.
8. **Report malfunctions immediately** — any breakage or malfunction of appliances, plumbing, TV, or other items — so we can care for the home properly.

9. **Do not rearrange furniture.** Plastic glassware is provided for outdoor use; no glass at the beach, dock, or water area.
10. **Do not iron on the beds.** An ironing board is provided.
11. **No illegal drugs.** If illegal drug use is suspected, authorities will be contacted and the Group will be required to vacate immediately with no refund.
12. **Keep out** of any area or container labeled "do not open" or secured by a lock, for your safety.
13. **Consumables** occasionally left by prior guests (condiments, snacks) are used at your own discretion; Manager assumes no responsibility for them.
14. **Noise complaints.** If Manager receives a noise complaint, Manager will contact Guest. Upon a second complaint, the stay will be terminated immediately without refund and the Group must vacate.
15. **Law enforcement.** If law enforcement is called to the property for any reason involving the Guest or Group, Guest must pay all resulting costs, including repair of any damage to the property or adjacent properties, and may be subject to eviction and prosecution.
16. **Alterations.** Do not alter the home or any amenity, including reprogramming or disabling electronic devices, attaching nails/screws/adhesives, or removing HDMI or other cables from TVs or consoles.
17. **Keys & access devices** must be returned or left as instructed at check-out. Any unreturned key or device is charged up to **\$150.00** each.

17. Outdoor, Water & Fire Amenities

Butterfield Retreat is a private lakefront cabin with a sunroom. The Rental Property includes **lake and dock access**, beach access, **one (1) kayak**, a backyard, an outdoor dining area, an **outdoor fire pit**, and a gas grill. Guest and the Group use all of these entirely at their own risk, subject to the release in Section 15.

- **Water access.** Swimming, beach, dock, and kayak use carry inherent risks. **Life jackets must be worn while using the kayak**, and constant supervision of children is the Guest's responsibility. No diving. The kayak and any water items must be returned to the home after use.
- **Fire pit.** Guests may use the outdoor fire pit, **unless prohibited by local burn restrictions or a burn ban due to dry or hazardous conditions**, in which case the fire pit must not be used. Firewood is provided. Fires must be fully extinguished, with no hot embers remaining, before being left unattended or before going to bed.

1. Scope of This Agreement

This Agreement applies to the Guest's stay at the Rental Property for the reservation dates above, and to any other dates that may be added if the reservation is changed.

This Agreement applies to every member of the Guest's party, regardless of age or affiliation (the "Group"). Guest is responsible for sharing this Agreement and all of its requirements with every member of the Group and anyone else the Guest permits onto the Rental Property. Guest is fully responsible for the conduct of the entire Group and any invitees, visitors, or guests.

In consideration of the rent received and the mutual promises in this Agreement, Manager leases and rents the Rental Property to Guest under the following terms and conditions. The person signing must be at least **25 years of age**, must be an occupant of the Rental Property for the entire reservation, and assumes responsibility for the entire Group.

2. Occupancy, Conduct & Guest Responsibilities

Guest agrees to abide by all rules and regulations contained in this Agreement or posted at the Rental Property. Guest's obligations include, but are not limited to, keeping the premises as clean and safe as conditions permit and causing no unsafe or unsanitary conditions. Guest agrees not to use the premises for any commercial activity (other than ordinary remote working) or for any purpose that violates any criminal law or governmental regulation. Breach of any duty in this paragraph is material and may result in termination of occupancy with no refund of any kind.

Guest grants Manager permission to enter the premises at any time for inspection if Manager reasonably believes Guest is causing or has caused damage to the Rental Property, and for purposes of maintenance and repair.

3. Payment Terms

Payment terms depend on the booking channel:

- **Airbnb bookings:** Payment is collected by Airbnb in full at the time of booking, in accordance with Airbnb's payment terms.
- **VRBO and Direct bookings: 50% of the total rental charges is due at the time of booking.** The **remaining balance is due 30 days prior to the arrival date** and will be charged automatically to the payment method on file. If the automatic payment fails for any reason, it is the Guest's responsibility to ensure the balance is paid in full promptly, or the reservation may be cancelled by Manager with no refund of payments made.

All policies in this Agreement apply equally to payments made by credit card, debit card, or other approved method, whether made via website, OTA platform, by phone, or in person. Any refunds due from a card payment will be refunded to that card; all other refunds will be made within 30 days.

4. Cancellation Policy

Cancellation terms vary by season and by booking channel. **The cancellation policy that applies to this reservation is the policy displayed at the time of booking on the applicable channel (Airbnb, VRBO, or direct-booking confirmation).** That displayed policy governs all refunds. Travel Insurance, Accidental Damage Waiver, and any processing or administrative fees are non-refundable. **Travel insurance is highly recommended** to protect against cancellations falling outside the refund window.

5. Security Deposit OR Accidental Damage Waiver

At the time of booking, Guest will **choose one** of the following two options through the secure portal link sent to Guest at booking:

(a) Refundable Security Deposit — A hold or charge is placed on the Guest's payment method in the amount stated in the booking. If, at the end of the rental period, the Rental Property is returned undamaged beyond normal wear and tear, the deposit is released in full within the timeframe stated in the booking confirmation. In the event of damage, Manager will provide a full accounting of deductions; **or**

(b) Accidental Damage Waiver — A **non-refundable fee of \$65.00** that covers up to **\$2,500.00** in accidental damage to the Rental Property and its contents, with no questions asked. For Guests who bring an approved dog under the Pet Policy in Section 7, accidental **pet-caused** damage is covered under this Waiver up to a **\$1,500.00 sub-limit**. The Waiver covers unintentional, accidental damage only. It does **not** cover: intentional damage; damage caused by gross negligence; damage exceeding the applicable limit (\$2,500.00 generally, or \$1,500.00 for pet-caused damage); theft or removal of items; smoking; damage from an undisclosed or unauthorized pet; or violations of this Agreement, all of which remain the Guest's full financial responsibility.

In either case, Guest remains responsible for any damage exceeding the deposit or Waiver coverage. Deductions or charges may include, without limitation: excess cleaning, trash removal, missing-item replacement, repair or replacement of damaged items, repair of buildings or grounds, or other service-call fees. Manager is under no obligation to use the least expensive means of restoration. Should damages exceed the amount of the Security Deposit or Waiver coverage, Guest agrees to pay the balance within 10 business days of notification.

6. Damage & Credit-Card Authorization

Guest is responsible for all damage to the Rental Property and its contents during the stay, whether caused by Guest or the Group. Guest authorizes Manager to charge the payment method on file, without needing a signed card slip, for: damages; extraordinary cleaning; unauthorized early check-in or late check-out; lost keys or unreturned access devices; or any amount set out in the Fee Schedule below. Guest must disclose each dog **at the time of booking** (or obtain Manager's written approval before arrival), including each dog's breed, age, and approximate weight. A **non-refundable pet fee of \$75.00 per dog, per stay** applies (maximum of two dogs, covering the additional cleaning a pet requires) and is added to the booking total. The following rules apply to every approved dog:

1. **Maximum of two (2) dogs, each under 75 lbs.** No other animals are permitted without Manager's prior written approval. **No cats.**
2. Dogs must be **up to date on vaccinations and on flea/tick prevention.**
3. **Never leave a dog unattended in the home unless it is safely crated.** Please bring your own crate if needed.
4. Dogs must be **leashed when outdoors**, never left unattended outside, and Guest must **immediately pick up and dispose of all pet waste**, inside and on the grounds. **An additional cleaning fee will be applied if excessive pet waste is found in the home or in the yard** (see Fee Schedule).
5. **No dogs on beds or furniture.** Please bring your dog's own bed or blanket. Pet hair found in beds or on furniture will incur additional cleaning.
6. **Keep dogs out of the water amenities.** Supervise dogs around the beach, dock, lake, boat slip, and fire pit at all times.
7. Dogs must **not disturb neighbors**; excessive barking or noise is treated the same as a noise complaint under these House Rules.
8. **Guest is fully responsible for all damage, injury, or extraordinary cleaning caused by a dog**, and authorizes Manager to charge the payment method on file for any such amounts (subject to the accidental-damage-waiver coverage in Section 5, if elected).

Undisclosed, unapproved, or unauthorized pets, pets exceeding the limits above, or any violation of these rules are grounds for the **unauthorized-pet fee** in the Fee Schedule and may result in termination of the rental without refund.

8. Children

Guest must inform Manager of the intention to bring children and the number of children. A "child" is any person under the age of 18. Children must be supervised at all times, particularly around the beach, dock, lake, boat slip, bikes, water, fire pit, and wood-burning stove.

9. Property Condition; No Refunds for Outages

No refunds will be provided due to inoperable appliances, Wi-Fi, or similar. Manager will make every reasonable effort to keep these in good working order. No refunds will be given due to power outages, water issues, flooding, snow, weather, construction at adjacent properties, or evacuations ordered by officials due to acts of God or

nature.

10. Lost & Found

Guest is responsible for all shipping costs for any lost-and-found items Manager is asked to return. Items not claimed within 30 days will be disposed of at Manager's discretion.

11. Linens & Towels

Linens and towels are provided. **Bath towels may not be used for the beach, dock, or lake** — please use only the towels designated for water/outdoor use, and return them to the home. Guest is responsible for lost or damaged linens and towels at two (2) times the standard replacement price.

12. Manager's Inability to Provide the Property; Relocation

If Manager is unable to make the Rental Property available for any reason other than those described in Section 9, and cannot provide a reasonable substitute, Manager's sole liability is a full refund of all monies paid under this Agreement. In no event is Manager liable for any special, incidental, or consequential damages arising from such unavailability. Manager reserves the right to relocate Guest to comparable accommodations if circumstances beyond Manager's control arise, and Guest agrees to cooperate.

13. Identity Verification & Background Check

Guest understands and agrees that, before use of the Rental Property, Manager (directly or through its booking and verification provider) may perform identity verification and a national criminal and sex-offender background check using a consumer-reporting agency. If Manager learns of adverse information, Manager may cancel the reservation and refund the Guest's reservation deposit. Using a name other than the Guest's true legal name is grounds for immediate cancellation.

14. Cameras & Property Monitoring — Disclosure

For the safety of guests and the protection of the home, the Rental Property has **exterior security cameras** and **exterior noise-decibel monitors only**. There are **three (3) exterior security cameras**, located at: (1) the **front door**; (2) the **garage**; and (3) the **back door**. These cameras are in place for guest safety and the protection of the property. The noise-decibel monitors measure sound level only (to help enforce quiet hours and the no-party policy) and **do not record audio or conversations**.

There are no cameras inside the home, and none in any bathroom, bedroom, or other interior or private space. Tampering with, disabling, obstructing, unplugging, or reorienting any camera or monitoring device is strictly prohibited and is grounds for immediate termination of the rental without refund.

15. Release, Indemnity & Assumption of Risk

Guest acknowledges that the Rental Property is a lakefront home on Ripple Lake in a natural, lake-country setting with inherent risks, and that Manager cannot control all conditions present at the property or the activities of all persons in or around it.

Inspection. Immediately after check-in, Guest must inspect the Rental Property to confirm it suits Guest's needs and to identify any malfunctioning, missing, or damaged item, or any safety or health hazard, and must immediately notify Manager by phone and message. Failure to provide immediate notice waives any claim arising from the deficiency, and Guest is deemed to have assumed the risk.

Personal property. Guest is solely responsible for all vehicles, belongings, and personal property brought to the Rental Property. Manager is not responsible for, and does not insure, any loss of or damage to personal property, including loss by fire, water, theft, or any other cause.

Use of amenities is at Guest's sole risk. Guest's use of the beach, dock, lake, boat slip, bikes, swimming area, fire pit, wood-burning stove, indoor fireplace, exercise equipment, pool table, decks, stairs, custom or bunk beds, and any other amenity is **at the Guest's own risk**. Guest fully understands that outdoor, water, and recreational activities carry inherent risks, dangers, and hazards, including bodily injury, illness, strains, fractures, paralysis, drowning, and death.

Release and indemnity. To the maximum extent permitted by law, Guest hereby voluntarily agrees to release, waive, discharge, hold harmless, defend, and indemnify Manager, the property owner, and their respective officers, directors, members, managers, employees, agents, contractors, and affiliated persons and entities (collectively, the "Released Parties") from and against any and all claims, demands, actions, losses, costs, and reasonable attorneys' fees ("Damages") for bodily injury, illness, death, property damage, or loss of any kind that may arise out of or relate to Guest's or the Group's occupancy or use of the Rental Property, its amenities, equipment, or activities — whether occurring on, in, or near the premises, and whether caused in whole or in part by the negligence of any Released Party — except only for Damages caused by the gross negligence or intentional misconduct of a Released Party. This release and indemnity also runs in favor of the Released Parties as to claims by third parties, including neighbors and adjacent occupants, and as to claims by the Guest's own Group, licensees, and invitees.

Waiver of subrogation. To the extent Guest has insurance covering personal injury or personal property, Guest waives, and causes its insurer to waive, all rights of subrogation against the Released Parties for any insured loss, irrespective of fault.

Guest further assumes full responsibility for the actions of every person Guest allows onto the property during the rental period and indemnifies the Released Parties from all claims arising from those persons.

16. House Rules & Prohibited Uses

Guest and the entire Group must follow these House Rules. If any rule conflicts with another term, the more restrictive rule controls. Violation is grounds for immediate termination of the right to occupy, without refund.

We ask that you treat our home with the same respect you would your own.

1. **No smoking, vaping, or hookah** of any product or substance, indoors. This is a non-smoking home. If you smoke, do so well away from the home and properly dispose of all debris. Odor, stains, or debris detected inside, or cigarette debris in the yard, will result in the smoking fees in the Fee Schedule.
2. **Dogs welcome with disclosure; no undisclosed or unauthorized pets.** Up to two (2) dogs under 75 lbs are allowed per the Pet Policy in Section 7. Bringing an undisclosed or unapproved pet, or any non-dog animal without approval, may result in termination of the rental without refund, plus the unauthorized-pet fee.
3. **Quiet hours** are 10:00 PM – 8:00 AM on weekdays and 11:00 PM – 8:00 AM on weekends, as a courtesy to our neighbors. No swimming, beach, or dock use during quiet hours.
4. **No tampering** with internet equipment, cameras, noise-decibel monitors, or any monitoring devices. This is grounds for immediate termination without refund.
5. **No parties or events.** Only guests on the original booking may stay overnight. At no time may there be more than **10 people total** (adults, children, and infants) at the property without prior written approval. Exceeding this is deemed a party and is immediate grounds for cancellation, removal of all persons, and forfeiture of all monies paid.
6. **There is no lifeguard.** No diving in the lake. Use the beach, dock, lake, boat slip, and water at your own risk and supervise children at all times.
7. **Bikes.** Bikes are provided and used entirely at your own risk. Helmets are strongly recommended, and an adult must supervise any minor riding a bike. Return bikes to their storage location after use.

8. **Use designated towels** for the beach, dock, and swimming — not the bath towels. Use dark towels for removing makeup.
9. **Fire safety.** If you use the **wood-burning stove** or the **fire pit**, never leave them unattended and ensure there are no hot embers remaining before going to bed or leaving the property.
10. **Report malfunctions immediately** — any breakage or malfunction of appliances, plumbing, TV, or other items — so we can care for the home properly.
11. **Do not rearrange furniture.** Plastic glassware is provided for outdoor use; no glass at the beach, dock, or water area.
12. **Do not iron on the beds.** An ironing board is provided.
13. **No illegal drugs.** If illegal drug use is suspected, authorities will be contacted and the Group will be required to vacate immediately with no refund.
14. **Keep out** of any area or container labeled "do not open" or secured by a lock, for your safety.
15. **Consumables** occasionally left by prior guests (condiments, snacks) are used at your own discretion; Manager assumes no responsibility for them.
16. **Noise complaints.** If Manager receives a noise complaint, Manager will contact Guest. Upon a second complaint, the stay will be terminated immediately without refund and the Group must vacate.
17. **Law enforcement.** If law enforcement is called to the property for any reason involving the Guest or Group, Guest must pay all resulting costs, including repair of any damage to the property or adjacent properties, and may be subject to eviction and prosecution.
18. **Alterations.** Do not alter the home or any amenity, including reprogramming or disabling electronic devices, attaching nails/screws/adhesives, or removing HDMI or other cables from TVs or consoles.
19. **Keys & access devices** must be returned or left as instructed at check-out. Any unreturned key or device is charged up to **\$150.00** each.

17. Outdoor, Water & Fire Amenities

Loon Cabin is a single-level lakefront home on **Ripple Lake**. The Rental Property includes **beach access**, lake and dock access, a **boat slip**, **bikes**, beach essentials, a private backyard, outdoor furniture, an outdoor dining area, an **outdoor fire pit**, an indoor **wood-burning stove**, and a gas grill. Guest and the Group use all of these entirely at their own risk, subject to the release in Section 15.

- **Water access.** Swimming, beach, and dock use carry inherent risks. Constant supervision of children is the Guest's responsibility. No diving. Beach essentials and any water items must be returned to the home after use. **Manager does not provide any watercraft with this home.** A boat slip is available; any watercraft the Guest brings is used and stored entirely at the Guest's own risk, and Minnesota life-jacket and boating laws must be followed.
- **Bikes.** Bikes are provided for guest use at the Guest's own risk; helmets are strongly recommended and minors must be supervised.
- **Fire pit & wood-burning stove.** Guests may use the outdoor fire pit and the wood-burning stove, **unless prohibited by local burn restrictions or a burn ban due to dry or hazardous conditions.** Fires must be fully extinguished, with no hot embers remaining, before being left unattended or before going to bed. **Firewood is not provided at this time; guests are welcome to bring their own.**

Please read this agreement carefully — it protects you, our home, and the experience of every guest who follows you. If you have any questions, no question is too small; just reach out.

1. Scope of This Agreement

This Agreement applies to the Guest's stay at the Rental Property for the reservation dates above, and to any other dates that may be added if the reservation is changed.

This Agreement applies to every member of the Guest's party, regardless of age or affiliation (the "Group"). Guest is responsible for sharing this Agreement and all of its requirements with every member of the Group and anyone else the Guest permits onto the Rental Property. Guest is fully responsible for the conduct of the entire Group and any invitees, visitors, or guests.

In consideration of the rent received and the mutual promises in this Agreement, Manager leases and rents the Rental Property to Guest under the following terms and conditions. The person signing must be at least **25 years of age**, must be an occupant of the Rental Property for the entire reservation, and assumes responsibility for the entire Group.

2. Occupancy, Conduct & Guest Responsibilities

Guest agrees to abide by all rules and regulations contained in this Agreement or posted at the Rental Property. Guest's obligations include, but are not limited to, keeping the premises as clean and safe as conditions permit and causing no unsafe or unsanitary conditions. Guest agrees not to use the premises for any commercial activity (other than ordinary remote working) or for any purpose that violates any criminal law or governmental regulation. Breach of any duty in this paragraph is material and may result in termination of occupancy with no refund of any kind.

The Rental Property may not be occupied by more than **10 persons total** (including adults, children, and infants) at any time without Manager's prior written approval. No fraternities, school, civic, or other non-family groups are

permitted unless Manager grants prior written approval. Guest may not assign or sublet the Rental Property in whole or in part. Violations of this Section are grounds for expedited eviction with no refund of any kind.

Guest grants Manager permission to enter the premises at any time for inspection if Manager reasonably believes Guest is causing or has caused damage to the Rental Property, and for purposes of maintenance and repair.

3. Payment Terms

Payment terms depend on the booking channel:

- **Airbnb bookings:** Payment is collected by Airbnb in full at the time of booking, in accordance with Airbnb's payment terms.
- **VRBO and Direct bookings: 50% of the total rental charges is due at the time of booking.** The **remaining balance is due 30 days prior to the arrival date** and will be charged automatically to the payment method on file. If the automatic payment fails for any reason, it is the Guest's responsibility to ensure the balance is paid in full promptly, or the reservation may be cancelled by Manager with no refund of payments made.

All policies in this Agreement apply equally to payments made by credit card, debit card, or other approved method, whether made via website, OTA platform, by phone, or in person. Any refunds due from a card payment will be refunded to that card; all other refunds will be made within 30 days.

4. Cancellation Policy

Cancellation terms vary by season and by booking channel. **The cancellation policy that applies to this reservation is the policy displayed at the time of booking on the applicable channel (Airbnb, VRBO, or direct-booking confirmation).** That displayed policy governs all refunds. Travel Insurance, Accidental Damage Waiver, and any processing or administrative fees are non-refundable. **Travel insurance is highly recommended** to protect against cancellations falling outside the refund window.

5. Security Deposit OR Accidental Damage Waiver

At the time of booking, Guest will **choose one** of the following two options through the secure portal link sent to Guest at booking:

(a) Refundable Security Deposit — A hold or charge is placed on the Guest's payment method in the amount stated in the booking. If, at the end of the rental period, the Rental Property is returned undamaged beyond normal wear and tear, the deposit is released in full within the timeframe stated in the booking confirmation. In the event of damage, Manager will provide a full accounting of deductions; **or**

(b) Accidental Damage Waiver — A **non-refundable fee of \$65.00** that covers up to **\$2,500.00** in accidental damage to the Rental Property and its contents, with no questions asked. The Waiver covers unintentional, accidental damage only. It does **not** cover: intentional damage; damage caused by gross negligence; damage exceeding \$2,500.00; theft or removal of items; smoking; unauthorized pets; or violations of this Agreement, all of which remain the Guest's full financial responsibility.

In either case, Guest remains responsible for any damage exceeding the deposit or Waiver coverage. Deductions or charges may include, without limitation: excess cleaning, hot tub draining and refilling, trash removal, missing-item replacement, repair or replacement of damaged items, repair of buildings or grounds, or other service-call fees. Manager is under no obligation to use the least expensive means of restoration. Should damages exceed the amount of the Security Deposit or Waiver coverage, Guest agrees to pay the balance within 10 business days of notification.

6. Damage & Credit-Card Authorization

Guest is responsible for all damage to the Rental Property and its contents during the stay, whether caused by Guest or the Group. Guest authorizes Manager to charge the payment method on file, without needing a signed card slip, for: damages; extraordinary cleaning; unauthorized early check-in or late check-out; lost keys or unreturned access devices; or any amount set out in the Fee Schedule below. Damages and extraordinary cleaning are determined in Manager's reasonable discretion with supporting documentation. Guest's card authorization is irrevocable and remains in effect until 90 days after the end of occupancy. Guest waives chargeback rights for charges permitted under this Agreement.

7. Pets

This home is **not pet-friendly**. Pets are considered only on a case-by-case basis and are permitted **only with Manager's prior written approval**. Any unapproved pet found in or about the Rental Property is grounds for expedited eviction and forfeiture of all monies paid, plus the unauthorized-pet fee in the Fee Schedule.

8. Children

Guest must inform Manager of the intention to bring children and the number of children. A "child" is any person under the age of 18. Children must be supervised at all times, particularly around the hot tub, sauna, beach, dock, water, kayak, and fire pit.

9. Property Condition; No Refunds for Outages

No refunds will be provided due to inoperable appliances, hot tub, sauna, Wi-Fi, or similar. Manager will make every reasonable effort to keep these in good working order. No refunds will be given due to power outages, water issues, flooding, snow, weather, construction at adjacent properties, or evacuations ordered by officials due to acts of God or nature.

10. Lost & Found

Guest is responsible for all shipping costs for any lost-and-found items Manager is asked to return. Items not claimed within 30 days will be disposed of at Manager's discretion.

11. Linens & Towels

Linens and towels are provided. **Bath towels may not be used for the hot tub, sauna, beach, or dock** — please use only the towels designated for water/outdoor use, and return them to the home. Guest is responsible for lost or damaged linens and towels at two (2) times the standard replacement price.

12. Manager's Inability to Provide the Property; Relocation

If Manager is unable to make the Rental Property available for any reason other than those described in Section 9, and cannot provide a reasonable substitute, Manager's sole liability is a full refund of all monies paid under this Agreement. In no event is Manager liable for any special, incidental, or consequential damages arising from such unavailability. Manager reserves the right to relocate Guest to comparable accommodations if circumstances beyond Manager's control arise, and Guest agrees to cooperate.

13. Identity Verification & Background Check

Guest understands and agrees that, before use of the Rental Property, Manager (directly or through its booking and verification provider) may perform identity verification and a national criminal and sex-offender background check using a consumer-reporting agency. If Manager learns of adverse information, Manager may cancel the reservation and refund the Guest's reservation deposit. Using a name other than the Guest's true legal name is grounds for immediate cancellation.

14. Cameras & Property Monitoring — Disclosure

For the safety of guests and the protection of the home, the Rental Property has **two (2) exterior security cameras only**, located at: (1) the **front door on the deck, facing the door**; and (2) **to the left of the walk-out basement, facing the door**. These cameras are in place for guest safety and the protection of the property.

There are no cameras inside the home, and none in any bathroom, bedroom, or other interior or private space. Tampering with, disabling, obstructing, unplugging, or reorienting any camera or monitoring device is strictly prohibited and is grounds for immediate termination of the rental without refund.

15. Release, Indemnity & Assumption of Risk

Guest acknowledges that the Rental Property is located on Fawn Lake in a natural, lake-country setting with inherent risks, and that Manager cannot control all conditions present at the property or the activities of all persons in or around it.

Inspection. Immediately after check-in, Guest must inspect the Rental Property to confirm it suits Guest's needs and to identify any malfunctioning, missing, or damaged item, or any safety or health hazard, and must immediately notify Manager by phone and message. Failure to provide immediate notice waives any claim arising from the deficiency, and Guest is deemed to have assumed the risk.

Personal property. Guest is solely responsible for all vehicles, belongings, and personal property brought to the Rental Property. Manager is not responsible for, and does not insure, any loss of or damage to personal property, including loss by fire, water, theft, or any other cause.

Use of amenities is at Guest's sole risk. Guest's use of the hot tub, sauna, beach, dock, lake, swimming area, kayak, fire pit, decks, stairs, custom or bunk beds, and any other amenity is **at the Guest's own risk**. Guest fully understands that outdoor, water, and recreational activities carry inherent risks, dangers, and hazards, including bodily injury, illness, strains, fractures, paralysis, drowning, and death.

Release and indemnity. To the maximum extent permitted by law, Guest hereby voluntarily agrees to release, waive, discharge, hold harmless, defend, and indemnify Manager, the property owner, and their respective officers, directors, members, managers, employees, agents, contractors, and affiliated persons and entities (collectively, the "Released Parties") from and against any and all claims, demands, actions, losses, costs, and reasonable attorneys' fees ("Damages") for bodily injury, illness, death, property damage, or loss of any kind that may arise out of or relate to Guest's or the Group's occupancy or use of the Rental Property, its amenities, equipment, or activities — whether occurring on, in, or near the premises, and whether caused in whole or in part by the negligence of any Released Party — except only for Damages caused by the gross negligence or intentional misconduct of a Released Party. This release and indemnity also runs in favor of the Released Parties as to claims by third parties, including neighbors and adjacent occupants, and as to claims by the Guest's own Group, licensees, and invitees.

Waiver of subrogation. To the extent Guest has insurance covering personal injury or personal property, Guest waives, and causes its insurer to waive, all rights of subrogation against the Released Parties for any insured loss, irrespective of fault.

Guest further assumes full responsibility for the actions of every person Guest allows onto the property during the rental period and indemnifies the Released Parties from all claims arising from those persons.

16. House Rules & Prohibited Uses

Guest and the entire Group must follow these House Rules. If any rule conflicts with another term, the more restrictive rule controls. Violation is grounds for immediate termination of the right to occupy, without refund.

We ask that you treat our home with the same respect you would your own.

1. **No smoking, vaping, or hookah** of any product or substance, indoors. This is a non-smoking home. If you smoke, do so well away from the home and properly dispose of all debris. Odor, stains, or debris detected

8. **Report malfunctions immediately** — any breakage or malfunction of appliances, plumbing, TV, hot tub, sauna, or other items — so we can care for the home properly.
9. **Do not rearrange furniture.** Plastic glassware is provided for outdoor use; no glass at the hot tub, sauna, beach, dock, or water area.

14. **Noise complaints.** If Manager receives a noise complaint, Manager will contact Guest. Upon a second complaint, the stay will be terminated immediately without refund and the Group must vacate.
15. **Law enforcement.** If law enforcement is called to the property for any reason involving the Guest or Group, Guest must pay all resulting costs, including repair of any damage to the property or adjacent properties, and may be subject to eviction and prosecution.
16. **Alterations.** Do not alter the home or any amenity, including reprogramming or disabling electronic devices, attaching nails/screws/adhesives, or removing HDMI or other cables from TVs or consoles.

Welcome to Rustic Ridge Lodge, and thank you for choosing WEKYN Stays. We treat this home like our own, and we ask you to do the same. Please read this agreement carefully — it protects you, our home, and the experience of every guest who follows you. If you have any questions, no question is too small; just reach out.

1. Scope of This Agreement

This Agreement applies to the Guest's stay at the Rental Property for the reservation dates above, and to any other dates that may be added if the reservation is changed.

This Agreement applies to every member of the Guest's party, regardless of age or affiliation (the "Group"). Guest is responsible for sharing this Agreement and all of its requirements with every member of the Group and anyone else the Guest permits onto the Rental Property. Guest is fully responsible for the conduct of the entire Group and any invitees, visitors, or guests.

In consideration of the rent received and the mutual promises in this Agreement, Manager leases and rents the Rental Property to Guest under the following terms and conditions. The person signing must be at least **25 years of age**, must be an occupant of the Rental Property for the entire reservation, and assumes responsibility for the entire Group.

2. Occupancy, Conduct & Guest Responsibilities

Guest agrees to abide by all rules and regulations contained in this Agreement or posted at the Rental Property. Guest's obligations include, but are not limited to, keeping the premises as clean and safe as conditions permit and causing no unsafe or unsanitary conditions. Guest agrees not to use the premises for any commercial activity (other than ordinary remote working) or for any purpose that violates any criminal law or governmental regulation. Breach of any duty in this paragraph is material and may result in termination of occupancy with no refund of any kind.

The Rental Property may not be occupied by more than **10 persons total** (including adults, children, and infants) at any time without Manager's prior written approval. No fraternities, school, civic, or other non-family groups are permitted unless Manager grants prior written approval. Guest may not assign or sublet the Rental Property in

whole or in part. Violations of this Section are grounds for expedited eviction with no refund of any kind.

Guest grants Manager permission to enter the premises at any time for inspection if Manager reasonably believes Guest is causing or has caused damage to the Rental Property, and for purposes of maintenance and repair.

3. Payment Terms

Payment terms depend on the booking channel:

- **Airbnb bookings:** Payment is collected by Airbnb in full at the time of booking, in accordance with Airbnb's payment terms.
- **VRBO and Direct bookings: 50% of the total rental charges is due at the time of booking.** The **remaining balance is due 30 days prior to the arrival date** and will be charged automatically to the payment method on file. If the automatic payment fails for any reason, it is the Guest's responsibility to ensure the balance is paid in full promptly, or the reservation may be cancelled by Manager with no refund of payments made.

All policies in this Agreement apply equally to payments made by credit card, debit card, or other approved method, whether made via website, OTA platform, by phone, or in person. Any refunds due from a card payment will be refunded to that card; all other refunds will be made within 30 days.

4. Cancellation Policy

Cancellation terms vary by season and by booking channel. **The cancellation policy that applies to this reservation is the policy displayed at the time of booking on the applicable channel (Airbnb, VRBO, or direct-booking confirmation).** That displayed policy governs all refunds. Travel Insurance, Accidental Damage Waiver, and any processing or administrative fees are non-refundable. **Travel insurance is highly recommended** to protect against cancellations falling outside the refund window.

5. Security Deposit OR Accidental Damage Waiver

At the time of booking, Guest will **choose one** of the following two options through the secure portal link sent to Guest at booking:

(a) Refundable Security Deposit — A hold or charge is placed on the Guest's payment method in the amount stated in the booking. If, at the end of the rental period, the Rental Property is returned undamaged beyond normal wear and tear, the deposit is released in full within the timeframe stated in the booking confirmation. In the event of damage, Manager will provide a full accounting of deductions; **or**

(b) Accidental Damage Waiver — A **non-refundable fee of \$65.00** that covers up to **\$2,500.00** in accidental damage to the Rental Property and its contents, with no questions asked. The Waiver covers unintentional, accidental damage only. It does **not** cover: intentional damage; damage caused by gross negligence; damage exceeding \$2,500.00; theft or removal of items; smoking; unauthorized pets; damage to the pontoon or other watercraft; or violations of this Agreement, all of which remain the Guest's full financial responsibility.

In either case, Guest remains responsible for any damage exceeding the deposit or Waiver coverage. Deductions or charges may include, without limitation: excess cleaning, trash removal, missing-item replacement, repair or replacement of damaged items, repair of buildings or grounds, or other service-call fees. Manager is under no obligation to use the least expensive means of restoration. Should damages exceed the amount of the Security Deposit or Waiver coverage, Guest agrees to pay the balance within 10 business days of notification.

6. Damage & Credit-Card Authorization

Guest is responsible for all damage to the Rental Property and its contents during the stay, whether caused by Guest or the Group. Guest authorizes Manager to charge the payment method on file, without needing a signed card slip, for: damages; extraordinary cleaning; unauthorized early check-in or late check-out; lost keys or

unreturned access devices; or any amount set out in the Fee Schedule below. Damages and extraordinary cleaning are determined in Manager's reasonable discretion with supporting documentation. Guest's card authorization is irrevocable and remains in effect until 90 days after the end of occupancy. Guest waives chargeback rights for charges permitted under this Agreement.

7. Pets

This home is **not pet-friendly**. Pets are considered only on a case-by-case basis and are permitted **only with Manager's prior written approval**. Any unapproved pet found in or about the Rental Property is grounds for expedited eviction and forfeiture of all monies paid, plus the unauthorized-pet fee in the Fee Schedule.

8. Children

Guest must inform Manager of the intention to bring children and the number of children. A "child" is any person under the age of 18. Children must be supervised at all times, particularly around the beach, dock, lake, boat slip, pontoon, kayak, paddleboards (SUPs), water, and fire pit.

9. Property Condition; No Refunds for Outages

No refunds will be provided due to inoperable appliances, Wi-Fi, the pontoon, or similar. Manager will make every reasonable effort to keep these in good working order. No refunds will be given due to power outages, water issues, flooding, snow, weather, construction at adjacent properties, or evacuations ordered by officials due to acts of God or nature.

10. Lost & Found

Guest is responsible for all shipping costs for any lost-and-found items Manager is asked to return. Items not claimed within 30 days will be disposed of at Manager's discretion.

11. Linens & Towels

Linens and towels are provided. **Bath towels may not be used for the beach, dock, lake, or pontoon** — please use only the towels designated for water/outdoor use, and return them to the home. Guest is responsible for lost or damaged linens and towels at two (2) times the standard replacement price.

12. Manager's Inability to Provide the Property; Relocation

If Manager is unable to make the Rental Property available for any reason other than those described in Section 9, and cannot provide a reasonable substitute, Manager's sole liability is a full refund of all monies paid under this Agreement. In no event is Manager liable for any special, incidental, or consequential damages arising from such unavailability. Manager reserves the right to relocate Guest to comparable accommodations if circumstances beyond Manager's control arise, and Guest agrees to cooperate.

13. Identity Verification & Background Check

Guest understands and agrees that, before use of the Rental Property, Manager (directly or through its booking and verification provider) may perform identity verification and a national criminal and sex-offender background check using a consumer-reporting agency. If Manager learns of adverse information, Manager may cancel the reservation and refund the Guest's reservation deposit. Using a name other than the Guest's true legal name is grounds for immediate cancellation.

14. Cameras & Property Monitoring — Disclosure

For the safety of guests and the protection of the home, the Rental Property has **two (2) exterior security cameras only**, located at: (1) **above the garage / game room entrance**; and (2) **at the front door**. These cameras are in place for guest safety and the protection of the property.

There are no cameras inside the home, and none in any bathroom, bedroom, or other interior or private space. Tampering with, disabling, obstructing, unplugging, or reorienting any camera or monitoring device is strictly prohibited and is grounds for immediate termination of the rental without refund.

15. Release, Indemnity & Assumption of Risk

Guest acknowledges that the Rental Property is a lakefront cabin in a natural, lake-country setting with inherent risks, and that Manager cannot control all conditions present at the property or the activities of all persons in or around it.

Inspection. Immediately after check-in, Guest must inspect the Rental Property to confirm it suits Guest's needs and to identify any malfunctioning, missing, or damaged item, or any safety or health hazard, and must immediately notify Manager by phone and message. Failure to provide immediate notice waives any claim arising from the deficiency, and Guest is deemed to have assumed the risk.

Personal property. Guest is solely responsible for all vehicles, belongings, and personal property brought to the Rental Property. Manager is not responsible for, and does not insure, any loss of or damage to personal property, including loss by fire, water, theft, or any other cause.

Use of amenities is at Guest's sole risk. Guest's use of the beach, dock, lake, boat slip, pontoon, kayak, paddleboards (SUPs), swimming area, fire pit, decks, stairs, custom or bunk beds, and any other amenity is **at the Guest's own risk**. Guest fully understands that outdoor, water, and recreational activities — especially the operation of watercraft — carry inherent risks, dangers, and hazards, including bodily injury, illness, strains, fractures, paralysis, drowning, and death.

Release and indemnity. To the maximum extent permitted by law, Guest hereby voluntarily agrees to release, waive, discharge, hold harmless, defend, and indemnify Manager, the property owner, and their respective officers, directors, members, managers, employees, agents, contractors, and affiliated persons and entities (collectively, the "Released Parties") from and against any and all claims, demands, actions, losses, costs, and reasonable attorneys' fees ("Damages") for bodily injury, illness, death, property damage, or loss of any kind that may arise out of or relate to Guest's or the Group's occupancy or use of the Rental Property, its amenities, equipment, or activities — whether occurring on, in, or near the premises, and whether caused in whole or in part by the negligence of any Released Party — except only for Damages caused by the gross negligence or intentional misconduct of a Released Party. This release and indemnity also runs in favor of the Released Parties as to claims by third parties, including neighbors and adjacent occupants, and as to claims by the Guest's own Group, licensees, and invitees.

Waiver of subrogation. To the extent Guest has insurance covering personal injury or personal property, Guest waives, and causes its insurer to waive, all rights of subrogation against the Released Parties for any insured loss, irrespective of fault.

Guest further assumes full responsibility for the actions of every person Guest allows onto the property during the rental period and indemnifies the Released Parties from all claims arising from those persons.

16. House Rules & Prohibited Uses

Guest and the entire Group must follow these House Rules. If any rule conflicts with another term, the more restrictive rule controls. Violation is grounds for immediate termination of the right to occupy, without refund.

We ask that you treat our home with the same respect you would your own.

1. **No smoking, vaping, or hookah** of any product or substance, indoors. This is a non-smoking home. If you smoke, do so well away from the home and properly dispose of all debris. Odor, stains, or debris detected inside, or cigarette debris in the yard, will result in the smoking fees in the Fee Schedule.

2. **No unauthorized pets.** Bringing an unapproved pet may result in termination of the rental without refund, plus the unauthorized-pet fee.
3. **Quiet hours** are 10:00 PM – 8:00 AM on weekdays and 11:00 PM – 8:00 AM on weekends, as a courtesy to our neighbors. No swimming, beach, dock, or pontoon use during quiet hours.
4. **No tampering** with internet equipment, cameras, or any monitoring devices. This is grounds for immediate termination without refund.
5. **No parties or events.** Only guests on the original booking may stay overnight. At no time may there be more than **10 people total** (adults, children, and infants) at the property without prior written approval. Exceeding this is deemed a party and is immediate grounds for cancellation, removal of all persons, and forfeiture of all monies paid.
6. **There is no lifeguard.** No diving in the lake. Use the beach, dock, lake, boat slip, pontoon, kayak, paddleboards (SUPs), and water at your own risk and supervise children at all times. Life jackets must be worn on the kayak, the SUPs, and the pontoon.
7. **Use designated towels** for the beach, dock, and swimming — not the bath towels. Use dark towels for removing makeup.
8. **Report malfunctions immediately** — any breakage or malfunction of appliances, plumbing, TV, the pontoon, or other items — so we can care for the home properly.
9. **Do not rearrange furniture.** Plastic glassware is provided for outdoor use; no glass at the beach, dock, water area, or on the pontoon.
10. **Do not iron on the beds.** An ironing board is provided.
11. **No illegal drugs.** If illegal drug use is suspected, authorities will be contacted and the Group will be required to vacate immediately with no refund.
12. **Keep out** of any area or container labeled "do not open" or secured by a lock, for your safety.
13. **Consumables** occasionally left by prior guests (condiments, snacks) are used at your own discretion; Manager assumes no responsibility for them.
14. **Noise complaints.** If Manager receives a noise complaint, Manager will contact Guest. Upon a second complaint, the stay will be terminated immediately without refund and the Group must vacate.
15. **Law enforcement.** If law enforcement is called to the property for any reason involving the Guest or Group, Guest must pay all resulting costs, including repair of any damage to the property or adjacent properties, and may be subject to eviction and prosecution.
16. **Alterations.** Do not alter the home or any amenity, including reprogramming or disabling electronic devices, attaching nails/screws/adhesives, or removing HDMI or other cables from TVs or consoles.
17. **Keys & access devices** must be returned or left as instructed at check-out. Any unreturned key or device is charged up to **\$150.00** each.

17. Outdoor, Water & Fire Amenities

Rustic Ridge Lodge is a lakefront cabin. The Rental Property includes **private beach access**, lake and dock access, a **boat slip**, **one (1) kayak**, **two (2) stand-up paddleboards (SUPs)**, beach essentials (beach towels, umbrella, snorkeling gear), sun loungers, outdoor furniture, an outdoor dining area, an **outdoor fire pit**, and a gas grill. Guest and the Group use all of these entirely at their own risk, subject to the release in Section 15.

- **Water access.** Swimming, beach, dock, kayak, and paddleboard (SUP) use carry inherent risks. **Life jackets must be worn while using the kayak and the SUPs**, and constant supervision of children is the Guest's responsibility. No diving. The kayak, SUPs, beach essentials, and any water items must be returned to the home after use.

- **Fire pit.** Guests may use the outdoor fire pit, and firewood is provided, **unless prohibited by local burn restrictions or a burn ban due to dry or hazardous conditions**, in which case the fire pit must not be used. Fires must be fully extinguished before being left unattended or before going to bed.

18. Pontoon / Watercraft — Separate Waiver Required

Rustic Ridge Lodge includes use of a **2018 Bennington pontoon (rated capacity: 10 persons)**. Use of the pontoon is a privilege offered separately and is **conditioned on the Guest (and the designated operator) reading, initialing, and signing the separate "Rustic Ridge Lodge Pontoon Waiver & Agreement" BEFORE any use of the pontoon**. No member of the Group may board or operate the pontoon until that waiver is signed and returned to Manager.

Without limiting that separate waiver, Guest acknowledges and agrees that:

1. The pontoon may be operated **only by a person 25 years of age or older** who holds a valid driver's license and is named as the operator on the Pontoon Waiver.
2. The pontoon may **never** be operated while under the influence of alcohol, narcotics, or any impairing substance, before dawn or after dusk, in a careless or negligent manner, or by more persons or weight than its rated capacity.
3. **Life jackets must be on board for every passenger, and all children under 10 must wear a life jacket at all times** while on the pontoon, as required by Minnesota law.
4. Guest assumes all risk of, and is fully responsible for, any damage to the pontoon and its equipment, and for any injury, loss, or death arising from its use, and the release and indemnity in Section 15 applies fully to the pontoon and all watercraft.
5. Guest must report any accident, malfunction, or breakdown of the pontoon to Manager immediately.

19. Fee Schedule

12. Manager's Inability to Provide the Property; Relocation

If Manager is unable to make the Rental Property available for any reason other than those described in Section 9, and cannot provide a reasonable substitute, Manager's sole liability is a full refund of all monies paid under this Agreement. In no event is Manager liable for any special, incidental, or consequential damages arising from such unavailability. Manager reserves the right to relocate Guest to comparable accommodations if circumstances beyond Manager's control arise, and Guest agrees to cooperate.

13. Identity Verification & Background Check

Guest understands and agrees that, before use of the Rental Property, Manager (directly or through its booking and verification provider) may perform identity verification and a national criminal and sex-offender background check using a consumer-reporting agency. If Manager learns of adverse information, Manager may cancel the reservation and refund the Guest's reservation deposit. Using a name other than the Guest's true legal name is grounds for immediate cancellation.

14. Cameras & Property Monitoring — Disclosure

For the safety of guests and the protection of the home, the Rental Property has **two (2) exterior Ring security cameras only**, located at: (1) the **front door**; and (2) the **back of the home, focused strictly on the deck and back door**. The rear camera **does not view, cover, or capture the hot tub**. These cameras are in place for guest safety and the protection of the property.

There are no cameras inside the home, and none in any bathroom, bedroom, the hot tub area, or other interior or private space. Tampering with, disabling, obstructing, unplugging, or reorienting any camera or monitoring device is strictly prohibited and is grounds for immediate termination of the rental without refund.

15. Release, Indemnity & Assumption of Risk

Guest acknowledges that Manager cannot control all conditions present at the Rental Property or the activities of all persons in or around it.

Inspection. Immediately after check-in, Guest must inspect the Rental Property to confirm it suits Guest's needs and to identify any malfunctioning, missing, or damaged item, or any safety or health hazard, and must immediately notify Manager by phone and message. Failure to provide immediate notice waives any claim arising from the deficiency, and Guest is deemed to have assumed the risk.

Personal property. Guest is solely responsible for all vehicles, belongings, and personal property brought to the Rental Property. Manager is not responsible for, and does not insure, any loss of or damage to personal property, including loss by fire, water, theft, or any other cause.

Use of amenities is at Guest's sole risk. Guest's use of the hot tub, gas fire pit, backyard, decks, stairs, custom or bunk beds, and any other amenity is **at the Guest's own risk**. Guest fully understands that outdoor and recreational activities carry inherent risks, dangers, and hazards, including bodily injury, illness, strains, fractures, paralysis, drowning, and death.

Release and indemnity. To the maximum extent permitted by law, Guest hereby voluntarily agrees to release, waive, discharge, hold harmless, defend, and indemnify Manager, the property owner, and their respective officers, directors, members, managers, employees, agents, contractors, and affiliated persons and entities (collectively, the "Released Parties") from and against any and all claims, demands, actions, losses, costs, and reasonable attorneys' fees ("Damages") for bodily injury, illness, death, property damage, or loss of any kind that may arise out of or relate to Guest's or the Group's occupancy or use of the Rental Property, its amenities, equipment, or activities — whether occurring on, in, or near the premises, and whether caused in whole or in part by the negligence of any Released Party — except only for Damages caused by the gross negligence or intentional misconduct of a Released Party. This release and indemnity also runs in favor of the Released Parties as to claims by third parties, including neighbors and adjacent occupants, and as to claims by the Guest's own Group, licensees, and invitees.

Waiver of subrogation. To the extent Guest has insurance covering personal injury or personal property, Guest waives, and causes its insurer to waive, all rights of subrogation against the Released Parties for any insured loss, irrespective of fault.

Guest further assumes full responsibility for the actions of every person Guest allows onto the property during the rental period and indemnifies the Released Parties from all claims arising from those persons.

16. House Rules & Prohibited Uses

Guest and the entire Group must follow these House Rules. If any rule conflicts with another term, the more restrictive rule controls. Violation is grounds for immediate termination of the right to occupy, without refund.

We ask that you treat our home with the same respect you would your own.

1. **No smoking, vaping, or hookah** of any product or substance, indoors. This is a non-smoking home. If you smoke, do so well away from the home and properly dispose of all debris. Odor, stains, or debris detected

inside, or cigarette debris in the yard, will result in the smoking fees in the Fee Schedule.

2. **No unauthorized pets.** Bringing an unapproved pet may result in termination of the rental without refund, plus the unauthorized-pet fee.
3. **Quiet hours** are 11:00 PM – 6:00 AM, as a courtesy to our neighbors. Please keep noise low in the backyard and around the hot tub during quiet hours.
4. **No tampering** with internet equipment, cameras, or any monitoring devices. This is grounds for immediate termination without refund.
5. **No parties or events.** Only guests on the original booking may stay overnight. At no time may there be more than **6 people total** (adults, children, and infants) at the property without prior written approval. Exceeding this is deemed a party and is immediate grounds for cancellation, removal of all persons, and forfeiture of all monies paid.
6. **No commercial photography or filming** at the Rental Property without Manager's prior written approval.
7. **Use designated towels** for the hot tub — not the bath towels. Use dark towels for removing makeup.
8. **Report malfunctions immediately** — any breakage or malfunction of appliances, plumbing, TV, hot tub, or other items — so we can care for the home properly.
9. **Do not rearrange furniture.** Plastic glassware is provided for outdoor use; no glass at the hot tub or in the backyard.
10. **Do not iron on the beds.** An ironing board is provided.
11. **No illegal drugs.** If illegal drug use is suspected, authorities will be contacted and the Group will be required to vacate immediately with no refund.
12. **Keep out** of any area or container labeled "do not open" or secured by a lock, for your safety.
13. **Consumables** occasionally left by prior guests (condiments, snacks) are used at your own discretion; Manager assumes no responsibility for them.
14. **Noise complaints.** If Manager receives a noise complaint, Manager will contact Guest. Upon a second complaint, the stay will be terminated immediately without refund and the Group must vacate.
15. **Law enforcement.** If law enforcement is called to the property for any reason involving the Guest or Group, Guest must pay all resulting costs, including repair of any damage to the property or adjacent properties, and may be subject to eviction and prosecution.
16. **Alterations.** Do not alter the home or any amenity, including reprogramming or disabling electronic devices, attaching nails/screws/adhesives, or removing HDMI or other cables from TVs or consoles.
17. **Keys & access devices** must be returned or left as instructed at check-out. Any unreturned key or device is charged up to **\$150.00** each.

17. Outdoor & Fire Amenities

Golden Wings features a private backyard oasis with murals and string lighting. The Rental Property includes a **private hot tub**, a **gas fire pit**, a backyard, and outdoor furniture. Guest and the Group use all of these entirely at their own risk, subject to the release in Section 15.

- **Gas fire pit.** Guests may use the gas fire pit responsibly. Keep all persons, especially children, a safe distance away; never leave it burning unattended; and ensure it is fully turned off before going to bed or leaving the property. Do not place objects on or near the burner.

18. Hot Tub Safety Guidelines

- **Use at your own risk.** Consult a doctor if you have any health concerns or pre-existing conditions before use.
- By entering the hot tub, you and your Group agree to the waiver of liability in this Agreement.

- **No lifeguard on duty.** The hot tub area is not gated.
- Replace and secure the cover when not in use.
- Shower or rinse before entering.
- **No food or glassware** in or around the hot tub.
- No diving, running, or rough play.
- **Children under 16 are not permitted in the hot tub.**

20. General Provisions

Entire Agreement. This Agreement, together with the House Rules and safety guidelines above, is the entire agreement between Manager and Guest regarding the Rental Property and may not be changed by any prior or contemporaneous oral agreement. It may be amended only in a writing signed by both parties, and may be executed in counterparts. Electronic signatures and emailed or reproduced signatures are deemed originals.

Severability. Every provision is severable. If any provision is held illegal or invalid, the remainder remains in effect, and the invalid provision is enforced to the maximum extent legally possible.

Notices. All notices must be in writing and delivered by email, commercial carrier, U.S. Mail, or personal delivery.

Dispute Resolution & Waiver of Jury Trial. The parties will first attempt to resolve any dispute, claim, or controversy arising out of or relating to this Agreement through direct discussion. If they choose to mediate, mediation will be conducted under the commercial mediation rules of the American Arbitration Association. **Any dispute not resolved by direct discussion or mediation must be submitted to a court of competent jurisdiction in Shelby County, Tennessee, for a bench trial. The parties knowingly, intelligently, and voluntarily waive their respective rights to a jury trial and to participate in any class action or class-wide litigation.**

Attorneys' Fees. In any legal action to enforce or interpret this Agreement, the prevailing party is entitled to recover its reasonable attorneys' fees, costs, and expenses.

Governing Law & Venue. This Agreement is governed exclusively by the laws of the **State of Tennessee**, including any applicable rental statutes. Any action arising out of or relating to this Agreement must be brought in **Shelby County, Tennessee**, and each party irrevocably submits to the jurisdiction of the state and federal courts of Tennessee and waives any objection to that venue.

Compliance with Law. All parties agree to comply with all applicable federal, state, and local laws and regulations, including pollution and short-term-rental ordinances.

Acknowledgment & Signature

THE UNDERSIGNED HAS READ AND UNDERSTANDS THIS AGREEMENT, INCLUDING THE RISKS, AND VOLUNTARILY SIGNS THE RELEASE, WAIVER OF LIABILITY, AND INDEMNITY. No oral representations or inducements apart from this written Agreement have been made.

I am over the age of **25** and assume responsibility for myself and the entire Group. I acknowledge that outdoor activities, the hot tub, the gas fire pit, weather, slippery steps and decks, and the natural elements carry inherent risks that can result in injury or death, and that alcohol and drugs do not mix safely with any outdoor activity or hot tub use. I accept complete responsibility for the Group and agree that the Group visits the property, uses the equipment, and engages in activities at the Group's own risk.

I agree to return the Rental Property in the same condition in which it was rented, and to be responsible for all damage or loss during my rental period. I acknowledge receipt of the property in good order (and will contact Manager immediately if I find otherwise).
